References on Topics Related to Commercial Sexual Exploitation of Youth

CSEReferences03.list/HYSN

The following selected bibliography of print, Internet resources, and videotapes is included here for anyone who is interested in further information. Please note that this listing is not comprehensive. There is an abundance of literature available, much of which can be found through Internet research. The subject of commercial sexual exploitation is sensitive and prone to rapid change. The Hawaii Youth Services Network does not endorse any of this literature, nor does it ensure its accuracy.
